TEACHING PARENTING THE POSITIVE DISCIPLINE WAY

This interactive workshop is designed for anyone who wants to learn a research-based parent education program that provides a step-by-step approach to starting and leading experientially based parenting groups.

Participants in this workshop will:

- Learn research-based effective tools and techniques for teaching parents how to use discipline that is kind and firm at the same time (non-punitive, non-permissive).
- Learn how to facilitate a parent class from the position of a non-expert.
- Gain practice with experiential exercises that help parents go beyond intellectual understanding to be able to respond in empowering ways that teach children.
- Learn how to use materials and activities in group settings, parenting classes and individual work with families.
