Become a Certified Positive Discipline Classroom Educator

This two-day interactive workshop is designed for teachers, counselors, school staff and administrators who want an effective discipline approach based on Adlerian Psychology that integrates social and emotional learning while reducing challenging student behaviors. Attendees will earn recognition as a Certified Positive Discipline Classroom Educator and will:

- Learn Positive Discipline/Adlerian psychology for use in the classroom and school community
- Understand the belief behind the students' misbehavior and how to use encouragement to motivate positive change
- Develop a large teaching toolbox of kind and firm discipline approaches for grades K-12
- Create an equitable classroom community based on mutual respect
- Understand the effects of trauma and insecure attachment on student behavior
- Facilitate effective class meetings teaching social skills and problem-solving
