

# EARLY CHILDHOOD EDUCATORS ONLINE TRAINING

TRAINING DESIGNED FOR EARLY CHILDHOOD EDUCATORS /  
TEACHERS / CAREGIVERS OF CHILDREN FROM BIRTH - 6  
YEARS OLD

*Become a Certified Positive Discipline Early Childhood Educator.*

This two-day interactive workshop is designed for early childhood educators, childcare professionals, parents and others who work with children from birth - 6 years old. Participants will learn to apply the principles and tools of Positive Discipline, an Adlerian research-based philosophy, to working with groups of young children. They will also gain a deeper understanding of how young children learn, the importance of belonging and social and emotional learning, and how best to teach those skills in a classroom or care setting. Participants will earn recognition as a Certified Positive Discipline Early Childhood Educator and will learn to:

1. Create a classroom or care setting where children can develop a sense of belonging and significance based on the importance of contribution and mutual respect
2. Foster essential social and emotional skills to support development and school readiness
3. Understand misbehavior and how to effectively motivate change based on encouragement and many other PD tools
4. Identify 52 PD tools to facilitate positive change in all relationships and to support your classroom management
5. Teach the essential skills for developmentally appropriate participation in class meetings.
6. Learn Positive Discipline and Adlerian concepts, for use in the classroom, preschool community and with parents, that support effective relationships.
