## **On-Line Certification Workshop for Teachers, Counselors, Administrators and School Staff**

This interactive workshop is designed for all educators, teachers, counselors, school staff and administrators seeking a research, based discipline approach (from Adlerian Psychology), that integrates social and emotional learning throughout the curriculum while positively impacting student behavior, whole school climate and academic outcomes. Attendees will earn Certification as Positive Discipline Classroom Educators and develop skills to:

- Transform challenging behaviors into opportunities to build social-emotional skills;
- Understand the belief behind student misbehavior and learn how to use encouragement to motivate positive change;
- Cultivate classroom communities of connection and respect;
- Create an equitable classroom and community with clear guidelines and routines based on mutual respect and cooperation;
- Facilitate effective class meetings that develop student voice, restore relationships, teach problem-solving and life skills;
- Fill the “teaching toolbox” with authoritative methods that are both kind and firm for grades PK-12; and
- Learn Positive Discipline/Adlerian psychology for use in the classroom and school community.

**Facilitators:** Teresa LaSala, Certified Positive Discipline Lead Trainer and Co-Author of Positive Discipline in the School and Classroom Manual and Kathleen McClay, Certified Positive Discipline Trainer
